Dear State Advisor,

Thank you for your dedication and service as a Junior Red Angus State Advisor! Your leadership and support play a vital role in helping connect our juniors to opportunities for growth, leadership, and involvement within the Red Angus breed. We truly appreciate the time and energy you invest in guiding the next generation.

To help make your role a little easier, we've put together a State Advisor Guide designed to assist you as you prepare for the 2025 Red Angus Youth Expo (RAYE) and to help answer any questions that may come your way. Whether you're assisting juniors with entries, encouraging them to participate in contests, or helping coordinate your state group, this guide has everything you need to stay informed and prepared.

Inside the guide, you'll find a few important action steps we would appreciate your help with — including spreading the word about deadlines, encouraging contest participation, and supporting your state's group as they gear up for RAYE.

- **We ask that state advisors help stall their state within their designated area. If you do not plan to attend RAYE or someone else will assist with stalling, please let us know so we can make the proper arrangements by May 15th.**
- **We ask that your state provide a state basket or silent auction item - see page 10.**
- For opening ceremonies, we ask each state to coordinate their exhibitors in a state t-shirt. We will send out your exhibitor t-shirt sizes after the first entry deadline. ***NEW* State Shirt Contest - See page 13**
- **Please provide a state write-up to be read as your state walks in by June 1st. Submit online!**

We are so excited for the 2025 RAYE and are grateful to have you alongside us, helping to make it a success! If you have any questions or need anything as you prepare your juniors, please don't hesitate to reach out.

Thank you for your help!
Taylor
