

State Shirt Contest Guidelines

Please use these criteria to help in your selection process.

1. State/Theme Representation

Does the shirt clearly represent the contestant's state identity (e.g., symbols, slogans, landmarks)? Is the current RAYE theme incorporated in a meaningful or creative way? Does the design effectively combine both state pride and the event theme?

2. Design

Is the design creative and unique? Does the shirt have a clear visual impact or “wow” factor? Is the design clean, well-balanced, and easy to understand? Is the design memorable or distinctive compared to other entries?

3. Teamwork

Were the shirts worn collectively and proudly by the group during opening ceremonies? Did members support each other in wearing and presenting the shirt as a unified front?
